VEHICLE

POSITIONING JACK

680KG SAFE WORKING CAPACITY

These TradeQuip "Made for the Trade" Vehicle Positioning Jacks make manoeuvring vehicles safely and easily, without touching the chassis! Constructed from high-quality powder-coated steel, they have an impressive lifting capacity of 680kg. The smooth foot action squeezes the support legs together to lift the tyre off the ground, and the locking pin ensures optimum safety. Heavy-duty nylon swivel castor wheels enable the rolling of cars, quad bikes, vans and light trucks into tight areas with ease.

FEATURES

- Steel Construction with metal rollers
- Heavy duty nylon swivel castors for great manoeuvrability
- Easy foot-pedal lifting design smoothly raises a vehicle
- Lifting rollers make tyre contact only
- 2 jacks permit full 180° vehicle pivot
- 4 jacks place vehicle on a 360° rolling platform

MADE FOR THE TRADE
