## FREE STANDING BLASTING CABINET

**420LITRE CAPACITY**

The TradeQuip "Made for the Trade" 3036T Blasting Cabinet features a large gaslift assisted front door for easy loading and unloading. It has excellent lighting and a very powerful vacuum system. The lower hopper stores the abrasive material for use and reuse and opens easily to allow easy removal of any media. Always ready to use when you are, the cabinet can be constantly connected to your air supply and is ready for immediate use when you step on the pedal. The 3036T uses a foot pedal to control the flow of abrasives from the air nozzle.
