POLYMER PARTS BIN

WORKSHOP TROLLEY

226KG SAFE WORKING CAPACITY

The polymer (heavy duty structural plastic) construction makes this three shelf TradeQuip "Made for the Trade" Workshop Trolley durable enough for moving tools and car parts. Easily handles loads up to 226kg. The rubber castors allow you to maneuver the workshop trolley without marring the floor. Deep shelves with 32 parts bins offers plenty of storage for workshop tools and dismantled parts. This is the perfect heavy duty workshop trolley for garages, warehouses and workshops.
