

PRODUCT INFORMATION

MOBILE WORKSHOP TABLE WITH DRAWER

80kg LOAD CAPACITY

Featuring a convenient drawer, the Heavy Duty steel construction makes this TradeQuip "Made for the Trade" Mobile Workshop Table durable enough for moving tools and car parts to and from the vehicle. Easily handles loads up to 80kg. Ball bearing castors ensure you can manoeuvre this mobile workshop table around the workshop. Including 3 compartments and 6 mounting holes, the height adjustment gives you plenty of options for lowered cars or SUV's. This very versatile mobile work top makes any installation or service work flow more efficiently for auto repairers and installation workshops.

Features

- Height adjustable for most vehicles
- Ball Bearing wheels for easy moving
- Multi-functional top table with 3 compartments and 6 screwdriver holes
- Top EVA mat for skid resistance
- Extra drawer for more storage room
