Truck Mobile Workshop Table

Safe Working Capacity 34kg

The Heavy Duty steel construction makes this BORUM "Industrial Quality" Truck Mobile Workshop Table durable enough for moving tools and car parts to and from the vehicle. The extra wide and deep legs make using them with larger trucks a breeze. Easily handles loads up to 34kg. Solid castors ensure you can manoeuvre this mobile workshop table around the workshop floor. The height adjustment gives you plenty of options for your commercial vehicle needs. This very versatile mobile work top makes any installation or service work flow more efficiently for auto repairers and installation workshops.

Features

- Strong tubular steel construction
- Handy tool storage holders
- Protective Bumper for top tray
- Smooth rolling castors
- Height adjustable to most commercial vehicles
- Sturdy main support post

**INDUSTRIAL
QUALITY**
